

WAGNER BROTHERS

REGISTERED ANGUS

PRIVATE TREATY BULL SALE - TOWNER, ND

Welcome

friends and fellow cattlemen

Wagner Angus Ranch invites you to come view our bulls for private treaty.

We are proud of this year's bulls, being the top cut of over 100 bulls we are only offering high quality bulls.

Our herd is a collection of cows carefully bred from the best maternal herds in the country.

We are not satisfied to only use the most popular AI stud and refuse to play the epd game. Our herd is run like a commercial herd of similar size. No special treatment. No second chances.

Our registered herd number is creeping up quickly and will be calving close to three hundred registered head this year, and well over that the next. Making us one of the largest registered herds in the state.

I believe with our numbers, and unique selection techniques, our bulls will be some of the highest caliber seed stock in this environment.

This year we are offering 40 yearling bulls, the best of over 100 bulls, for private treaty. Nearly every bull is for sale at \$2200 or lower, there are a couple of exceptional sons priced higher that really stand out to us Everybody raises cattle differently, there is no one "correct" way. I respect that. I thoroughly enjoy meeting other producers and learning from them.

Sale Terms & Liability

Free Delivery in State. Discount of \$100 if you pick up bull(s) after purchase.

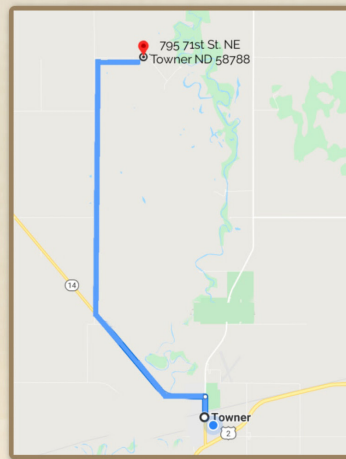

Bulls will be tested by Best Veterinary services this spring, prior to delivery.

Sinclair Dynasty 7WC16 worked well as a heifer bull and added another famous cow maker to our program. We are calving out 20 first calf heifers this year, and they are well uddered, good mothers who take care of their calves.

Cole Creek Tequila 131

We purchased 7115 from Wes Elston in 2019 hoping his offspring would provide some extra performance. He did not disappoint with his calves averaging 104 at weaning. His daughters have lots of eye appeal and have lots of depth.

RTW Foreman is the most impressive son of Sinclair Foreman bull we purchased in 2018. Outcross son that added length and height while maintaining calving ease. Foreman offspring tend to wean off well and out compete in the feedlot, if you aren't impressed by his sons, I'll have you look at the females.

Ash Coulee Tracker son purchased in 2020, stout strong bull that adds hip height and growth to his offspring. This tracker son is packed with excellent cows from Ash Coulee cow herd. His first set of calves here weaned off at an average of 104 weaning ratio. We are excited to continue using this bull and will have many more offspring in the future.
